

Basic Detail Report

Covered Jar

Date

1891-1895

Primary Maker

Mount Washington Glass Company

Medium

Glass, gilding

Description

Covered jar with articulated lid. Body of jar is decorated with an animated dragon, staining, and jewels. The base is of white opal glass which was variously free-blown, pattern-molded, and pressed. The piece is coated with an overall yellow-beige wash, and decorated with floral or figurative decoration in paint thinned to the intensity of a wash, and gold, applied to raised "jewels."

Dimensions

Overall: 11 3/4in. (29.8cm)
